The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

No. 235 of 1841.—The Right Hon'ble the Governor General of India in Council is pleased to republish the following General Orders, No. 7, dated 9th January 1837, containing certain Rules relative to the degree of proficiency in the Native Languages, required to be attained by Military Officers of the East India Company's Service, to qualify them for Staff or detached Employ.

GENERAL ORDERS BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Fort William, 9th January, 1837.

No. 7 of 1837.—The Hon'ble the Court of Directors having, in a recent despatch, again expressed their anxious desire, that a competent knowledge of the Native languages should be generally diffused among the Officers of their Army, and having, at the same time, deemed it necessary to prescribe, that a certain degree of proficiency in one or more of those languages be in future considered an indispensable qualification for Staff employ, the Right Honorable the Governor General of India in Council, with the view of giving effect to the wishes of the Honorable Court, without prejudice to the just claims of the many in other respects highly qualified Officers now in the Service, is pleased to publish the following rules for general information :

I. No Military Officer, who is now in the Service, or who may enter it hereafter, will be deemed qualified for, or eligible to, the Commissariat Department, or the appointment of Regimental Interpreter, unless he shall have passed the examination in the Native languages, prescribed for candidates for the latter situation.

II. No Officer, who may enter the Service hereafter, will be deemed eligible to any Staff situation, (except a temporary one during actual service in the field,) or civil employ, until he shall have passed an examination in the Hindoostanee language.

III. Notwithstanding that Officers now in the Service are exempted from the restrictive operation of the immediately preceding rule, it is to be distinctly understood, that a competent knowledge of Hindoostanee, though not in their case an indispensable qualification for the situations open to others on the condition of passing an examination in that language, will, as hitherto, be always considered to confer a strong additional claim to nomination to the Staff.

First.—Parties wishing to store Salt in private Godowns under the Government Orders of 11th August 1841, to give notice of their intentions to the Collector of Customs in writing, pointing out the location of the Godown in which the Salt is to be stored and making a Deposit of the Duty in Government Promissory Notes or in Bills accepted by Government.

Second.—On receipt of this deposit, the Collector of Customs will cause the Salt to be weighed and delivered from on board ship as at present, sending with each boat load of Salt for its protection in transit, between the ship and the Importer's Godown, a Boat Note (as per Form annexed) signed by both the Preventive Officers delivering and the Salt Chowkee Officer superintending the weighment.

Third.—On completion of weighment the Collector to report the outturn, together with the amount of Company's Paper held in deposit on receipt of this information, and the Boat Notes which must be delivered up by the Importer, the Board will supply the Importer with a Rowannah for the full quantity weighed over the vessel's side.

Fourth.—On the expiration of three months from the date of entry of the ship on which the Salt may have been imported, the Collector of Customs will call upon the Importer or Consignee to pay the duty on the full quantity weighed over the vessel's side less 3½ per cent. wastage.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 11TH OCTOBER, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

ACT No. XXII. OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent. on the annual value

of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and

grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any zenana, the Officer charged with the execution of the warrant shall make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 38, Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

T. H. MADDOCK,
Secy. to the Govt. of India.

First.—Parties wishing to store Salt in private Godowns under the Government Orders of 11th August 1841, to give notice of their intentions to the Collector of Customs in writing, pointing out the location of the Godown in which the Salt is to be stored and making a Deposit of the Duty in Government Promissory Notes or in Bills accepted by Government.

Second.—On receipt of this deposit, the Collector of Customs will cause the Salt to be weighed and delivered from on board ship as at present, sending with each boat load of Salt for its protection in transit, between the ship and the Importer's Godown, a Boat Note (as per Form annexed) signed by both the Preventive Officers delivering and the Salt Chowkee Officer superintending the weighment.

Third.—On completion of weighment the Collector to report the outturn, together with the amount of Company's Paper held in deposit on receipt of this information, and the Boat Notes which must be delivered up by the Importer, the Board will supply the Importer with a Rowannah for the full quantity weighed over the vessel's side.

Fourth.—On the expiration of three months from the date of entry of the ship on which the Salt may have been imported, the Collector of Customs will call upon the Importer or Consignee to pay the duty on the full quantity weighed over the vessel's side less 3½ per cent. wastage.

Fifth.—The Importer to write off all Salt sold by him on the back of the Rowannah, giving due intimation of sale within 24 hours to the Board, to enable them to depute a Salt Officer to be present at the weighment and delivery—this Officer will not suffer any Salt to be removed save under a separate Rowannah to be granted from the Board's Office. He will also attest the endorsement on the Rowannah, as above provided, of the quantity delivered.

Sixth.—A Salt Officer will attend during the landing of the Salt in order to put his adul on the Salt imported, and it will be expected that the Stamp so applied shall not be broken save in his presence.

Seventh.—Notice shall in all cases of Rowannahs granted for bonded Salt be given to the Superintendent of Calcutta Salt Chokees.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 18TH OCTOBER, 1841.

The following Extract from the proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 18th October 1841, is published for general information.

Read a second time the Draft of proposed Act dated the 15th June 1840, and published in the Supplement to the Calcutta Gazette of the 17th of the same month, for the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following Amended Draft on the subject be re-published for general information :

ACT No. — of 1841.

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence

of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation, and management of such Boats particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the subsidiary Rules to this Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and sea-worthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, sea-worthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

LEGISLATIVE DEPARTMENT,
THE 11TH OCTOBER, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

Act No. XXII. of 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent. on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas

it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz lighting and watering the roads and streets, and cleansing and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any room, the Officer charged with the execution of the warrant shall

make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 33, Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 18th of October 1841, is hereby promulgated for general information:

ACT No. XXVII of 1841.

An Act for appropriating the unclaimed Dividends on Insolvent Estates.

I. Whereas pursuant to the Orders of the Courts for the Relief of Insolvent Debtors at the several Presidencies, divers sums on account of unclaimed Dividends on Insolvent Estates have from time to time been paid over by the Assignees of such Insolvent Estates into the hands of the Accountant General and Sub-Treasurer of the East India Company at such several Presidencies with the privity of the Accountant General of the said Insolvent Courts, to the credit of the persons named in the Schedules as Creditors of such Insolvents respectively;—and whereas it is expedient that in the event of no claim being established to such unclaimed Dividends or any part thereof, within a reasonable time, such Dividends should be distributed among such of the Creditors of such Insolvent Estates as shall have established their claims against such Estates respectively;—

Provided that this Act shall not affect the right of any party to be paid such Dividends out of any future Assets, which may come to the hands of the Assignees, together with any future Dividends which may be declared on such Insolvent Estates respectively in the event of any such claim being afterwards established.

II. And it is hereby enacted, that no such unclaimed Dividend shall at any time be distributed under this Act unless a Statement of such unclaimed Dividends be previously published in manner following: One year at least before making any such division as aforesaid a Statement shall be published three times in the English language, and also in one or more native languages in the Official Gazettes of the respective Presidencies, which Statement shall contain the names and descriptions as contained in the Schedules of all parties in respect of whose claims Dividends are reserved, together with the amount of such claims respectively, and shall specify whether any former Dividend or Dividends have been paid in respect thereof, and whether any proof shall have at any time been made of the debt whereby any Dividend may have accrued. Provided always that this Act shall not authorize the distribution of any such Dividend except where no person shall at any time have substantiated any claim to the debt in respect of which such Dividend may have become due.

III. And it is hereby further enacted, that in case it shall appear that any Insolvent is indebted to any Domestic Servants for Wages, it shall be lawful for such Courts at or before the time of declaring a Dividend to order the amount due for such Wages, but not exceeding in the whole the amount of six months' Wages to be paid to such Servants out of the Estate of such Insolvents.

IV. And be it enacted, that this Act shall not take effect until the first day of January 1843.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 11th October 1841, is hereby promulgated for general information:

ACT No. XXII. OF 1841.

For amending the Law with respect to rates for Municipal purposes within the Town of Madras.

I. Whereas it is expedient to specify the particular purposes to which rates assessed on houses, buildings and grounds in Madras shall be applied; and to abolish the practice which has hitherto prevailed, of levying five per cent. on the annual value of all houses, buildings and grounds, without reference to the amount necessary for accomplishing the purposes of the rates; such per centage being inadequate for the purposes to which the rates have hitherto been deemed applicable. And whereas it is expedient to make the per centage leviable by quarterly or other convenient rates on the annual value of property to depend entirely on the expenditure necessary for accomplishing, in an efficient manner, the purposes to which the rates shall henceforth be applicable, and providing for all incidental expenses and casual deficiencies or defaults. And whereas it is expedient to subject the collection and administration of the funds raised for Municipal purposes in the various districts of the Town to the management of the rate-payers themselves within such districts respectively, whenever they are desirous of undertaking the same, and are willing to enter into proper arrangements for the purpose. And whereas

it is expedient to modify the provisions of the Statute 33, Geo. 3, Cap. 52, in regard to assessments for the Town of Madras in order for the better collection of the same, reserving all the authority of such Statute in matters not inconsistent with this Act;

It is hereby enacted, that the assessments which by the Statute 33, Geo. 3, Chap. 52, are authorized to be made for the Town of Madras, shall be applicable to the following purposes only, viz lighting and watering the roads and streets, and cleaning and repairing the same and the drains of the said Town.

II. And it is hereby enacted, that the assessment and rates made under the authority of the said Statute shall be sufficient for accomplishing, in an efficient manner, the purposes mentioned in the last Section, for discharging all incidental expenses, and for making up deficiencies and defaults of every kind whatsoever. Provided always, that no rate shall be made exceeding the amount of five per cent on the assessed value of property without the sanction of the Governor in Council of Fort Saint George in Madras.

III. And it is hereby enacted, for the encouragement of the control and supervision of the assessment and collection of the rates and the management thereof within particular divisions being undertaken by the rate-payers themselves, the Justices at their Quarter Sessions shall publish quarterly or as required by the Local Government the particulars of all sums laid out, and of all the expenses of collection and deficiencies during the preceding quarter within three or more divisions of the Town to be indicated by the Governor in Council of Fort Saint George in Madras before this Act shall be allowed to come into operation or such other divisions as the Governor in Council of Fort Saint George in Madras may from time to time direct, so long as the assessment, collection or management of the rates for such divisions shall remain under the jurisdiction of the Justices.

IV. And it is hereby enacted, whenever two-thirds in number and value of the rate payers of any of such respective divisions shall apply to the Governor in Council of Fort St. George in Madras, to undertake themselves the assessment, collection and management of the rates of such division, or any or either of these trusts, it shall be lawful for the Governor of Fort St. George in Madras to authorise the same accordingly, at his discretion; provided always that such majority of rate payers shall present a scheme which shall obtain his full approbation for the safe and efficient execution of the trusts, the transfer of which from the present authorities is sought for. Provided always that in any such arrangement, the amount to be levied in any particular division shall not be considered as necessarily limited by the amount expended within such division, but shall be adjusted by the Governor in Council of Fort St. George in Madras upon reference to all local circumstances.

V. And it is hereby enacted, that for the better assessment and collection of rates under this Act, it shall be lawful for the Governor in Council of Fort St. George in Madras, to appoint such Assessor or Assessors, Collector or Collectors, and to make such union of the offices of Assessor and Collector, and to prescribe such rules and take such securities for the due execution of this Act by the person or persons employed in assessments and collections and in the management of the rates collected as he shall deem expedient.

VI. And it is hereby enacted, that it shall not be necessary in any assessment rate or warrant of distress under this Act to specify the names of the owners or occupiers of houses, buildings and grounds; but it shall be sufficient if every property rated be identified, and in the case of houses numbered in any street, that the name of the street and number of the house rated be particularly specified.

VII. And it is hereby enacted, that the Goods and Chattels of the owner of any property rated shall be seizable any where (except where property is concealed as hereinafter mentioned) for deficiency in the payment of rates. And all property which shall be found upon any premises rated, shall be seizable for any arrears which may be due for a period of one year immediately preceding such seizure. And in the case of the seizure of the property of a tenant under such circumstances, he may deduct the amount of the levy from the next payment of his rent.

VIII. And it is hereby enacted, that where there is ground to suspect that property liable to distress under this Act is concealed in any room, the Officer charged with the execution of the warrant shall

make a special report to the Justice granting the same, who shall thereupon follow, as closely as is practicable, the rules for the seizure of property in like cases adopted by Her Majesty's Supreme Court of the Presidency.

IX. And it is hereby enacted, that it shall be lawful for any one Justice of the Peace for the Town of Madras to issue a Warrant of Distress for the recovery of the arrears of Assessment under this Act, or under the Statute 33. Geo. 3, Ch. 52, and every such Warrant shall have the same force and effect as if it were under the hands and seals of two such Justices.

NOTICE.

CHANGE OF PILOT STATION FOR THE RIVER HOOGHLY.

NOTICE is hereby given, that referring to the impracticability during the last S. W. Monsoon, owing to the encreasing resort of Shipping to the Port of Calcutta, to supply Pilots at the distant Station off Point Palmyras, the arrangements as noted in the following Memorandum from the Master Attendant, will be adopted for the next S. W. Monsoon.

MEMO.

1st.—A Pilot Vessel will be stationed off False Point during the next South West Monsoon, say from the 15th of March to the 15th of September 1842, bearing, according to circumstances, E. by N. a S. E. by S. from the Light House, and in from 10 to 15 fathoms depth of water.

2d.—This Vessel will exhibit by day when any others are in sight, besides the usual Company's Ensign at her Peak, a large Danish Jack (red with white cross) at her Main Top Gallant Mast Head, and at night a good Light in the same situation, besides burning a Blue Light every hour, and beating a Gong frequently in calm thick weather, to warn Vessels coming from the Southward of her near neighbourhood. She will not however have any Pilots on board, the main object of her intended Station off False Point being to guard all inward bound Vessels from proceeding to the old Station off Point Palmyras during next season, and directing them to a new one in the South Channel between the Tails of the Eastern and Western Reefs, where Pilot Vessels will then be found in from 16 to 20 fathoms water, and from 6 to 8 Miles South West of the present South Channel Buoy, that Buoy laying in Lat. $20^{\circ} 58' 30''$ N. Long. $88^{\circ} 4'$ East of Greenwich, and in 12 fathoms water.

3d.—For the purpose of more distinctly marking the new Station, the Commanding Officer's Vessel there will always wear by day, when other Vessels are in sight, a large St. George's Jack (white with red cross) at her Main Top Gallant Mast Head, besides the usual Company's Colours at her Peak, and at night be distinguished by a constant good Mast Head Light, by Blue Lights and Maroons used alternately every half hour and also by Guns fired every four hours, say at 8 p. m. Midnight, and 4 a. m. with good Rockets discharged at the same time.

4th.—All Vessels are recommended to be most careful in coming over from False Point to the New Station by constant attention to that safe old Guide the Lead, and thereby correcting their Steerage as Tides or Currents may or may not set them out of their proper course, and they are also advised not to come under 16 fathoms, at night especially, till they reach the Pilot's Station and get their proper Pilots on board.

5th.—Lastly—All Vessels are directed not to approach the Pilot's Station at night without giving due warning, and not only by the exhibition of Lights, say 2 Vertical where best seen, but also by the discharge of a Gun, if they have any on board, as soon as they descry the first Pilot Vessel near them. They are further recommended to be most careful not to come into collision with any of the Pilot Vessels at the Station on their own accounts no less than that of the Public as they will be held responsible for all Damages, and called upon afterwards to pay for all that may have arisen from bad Look-out, Inattention to Duty, or Carelessness of any kind whatever.

FORT WILLIAM.
LEGISLATIVE DEPARTMENT.
THE 18TH OCTOBER, 1841.

The following Extract from the proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, under date the 18th October 1841, is published for general information.

Read a second time the Draft of proposed Act dated the 15th June 1840, and published in the Supplement to the Calcutta Gazette of the 17th of the same month, for the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following Amended Draft on the subject be re-published for general information :

ACT No. — or 1841.

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of January next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or Letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence

of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation, and management of such Boats particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively all of which particulars shall be entered in a book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the subsidiary Rules to this Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be kept by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and sea-worthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, sea-worthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.
